Re: Southern California Gas Company Weekly Workover Rig Schedule Submittal

Dear Mr. Harris:

Southern California Gas Company (SoCalGas) hereby submits to the Division of Oil, Gas and Geothermal Resources (Division) its weekly workover rig schedule for completing the appropriate testing protocols or plugging and abandoning each isolated well at Aliso Canyon, as well as a summary outlining the changes since last week's update.

SoCalGas will submit these weekly updates until the rig work is completed or the Division requests SoCalGas to stop.

Please feel free to contact me if you have any questions.

Sincerely,

Roberto Dentici
Director
Underground Storage
