

Plate 1

Geology of the Highway 60 corridor in the San Timoteo badlands, Riverside County, California

Explanation

Geologic Units

	af	Artificial Fill
	Qls	Landslide deposit
Holocene	Qls?	questionable landslide deposit
	Qf	deposit of active alluvial fan
	Qw	deposit of active wash
	Qyw	young wash deposit
	Qyf	young alluvial fan deposit
Quaternary	Qoa1	older alluvial deposit
	Qof	older alluvial fan deposit
	Qvof	very old alluvial fan deposit
	Qvof1	very old alluvial fan deposit
	Pleistocene	QTstu
Tstm		San Timoteo Fm. middle member
Tstd		San Timoteo Fm. deformed sediments
Tertiary
